

Appointment Policy

Your child has an appointment time reserved especially for them. If you miss your appointment not only is your child's care delayed, but also someone else who could have been scheduled at that time.

Please give a 24 hour notice to reschedule an appointment. Two broken appointments without notice will preclude further scheduling at our office.

For families with one broken appointment, children from the same family will **not** be scheduled together.

Every effort will be made to remind you of your appointment. With your cooperation every patient will be seen efficiently and effectively.

By signing below you acknowledge that you have read and understand the appointment policy.
